

Notice to All Bidders

Ministry of the Solicitor General

NOTICE TO ALL PROSPECTIVE BIDDERS – Addendum Issued: **December 2, 2024**

ADDENDUM No. 6

Request for Bids (RFB): # OPP-1984 / Tender #20070

For Supply and Delivery of Ammunition

RFB Closing Date: January 13th , 2025 at 11:00:00 a.m. (Toronto time).

As per Section 1.3.1 of Part 4 (Terms and Conditions) of the above noted RFB, Bidders are reminded that this Addendum #6 shall form an integral part of the RFB. Bidders are responsible for obtaining all addenda issued by the Ministry on Ontario Tender Portal (<https://ontariotenders.app.jaggaer.com>)

The Ministry has elected to change the following dates of the RFB:

1. Deadline to issue Addenda: December 9th, 2024, at 16:00 (Toronto Time)

#	Part A: Questions and Answers
Q1	Line-Item No. 5-7: .308 Win, Match, Coordinated Ballistics (Ballistic match), Multiple Weights Ammunition/styles- Open Air/Barrier Blind/Armour Piercing (Duty) QUESTION: Coordinated ballistics can be achieved in a single barrel at a specific set distance in some cases, however due to variation from barrel to barrel and barrel lengths, this standard can often not be held or achieved across multiple platforms. Due to this issue, Would Opp consider separating line items 5 – 7 into separate categories?
A1	All Ammunition in the RFB is separated into separate items by line items (including line item 5, line item 6 and line item 7). Each line item will be evaluated and awarded separately. The Ministry will not consider separating line items 5-7 into separate categories as they are already separated into individual line items.

Q2	Line-Item No. 9-11: .338 Lapua Magnum (LM), Match, Coordinated Ballistics (Ballistic match), Multiple Weights Ammunition/styles- Open Air/Barrier Blind/Armour Piercing (Duty) QUESTION: Coordinated ballistics can be achieved in a single barrel at a specific set distance in some cases, however due to variation from barrel to barrel and barrel lengths, this standard can often not be held or achieved across multiple platforms. Due to this issue, Would Opp consider separating line items 9 – 11 into separate categories?
A2	All Ammunition in the RFB is separated into separate items by line items (including line item 9, line item 10 and line item 11). Each line item will be evaluated and awarded separately. The Ministry will not consider separating line items 9-11 into separate categories as they are already separated into individual line items.
Q3	Line-Item No. 20: 9mm Luger, 115gr -147gr., Training, Reduced Lead Ammunition QUESTION: Would the OPP consider a non-sealed 9mm training Ammunition?
A3	The Ministry will not consider a non-sealed 9mm training ammunition.
Q4	RFB# OPP-1984 / Project: Tender_20070 Part 5 – BID SAMPLE SUBMISSION PACKAGE LABEL CATEGORY A AMMUNITION ONLY CONCERNING POINT #3 SPECIFICALLY: 3. The samples must be received at the delivery location within thirty (30) Business Days of the request set out in the email. Delivery of the email (described in this section) shall be considered to be received by the Bidder within one (1) Business Day of being sent by the Ministry Contact. QUESTION: Due to the potential size of the sample amount, production timings and logistics, a 30-day delivery date is not feasible. Would the OPP consider 60 to 90 days for delivery from date of PO issued for sample ammunition?
A4	Section 1.4.4 Stage 3 (a) Category A Only has been amended. Refer to Amendment No. 5

Part B: Amendments to the RFB

Amendment No.5

Section 1.4.4 Stage 3 (a) – For Category A Only – Technical Response Evaluation (as amended by Addendum #3) of the RFB is hereby deleted and replaced with the following:

Section 1.4.4 Stage 3 (a) – For Category A Only – Technical Response Evaluation

Category A Ammunition Bidders who have passed the Stage 2 requirements will be contacted by the Ministry Contact, via email, with instructions to provide their Category A ammunition samples as described in this Section for evaluation.
