11) Part 11 – Bid Submission Guidelines

Part 3 - The Deliverables

The Deliverables include:

- Objective (section 1.1)
- Description of Deliverables (section 1.2)
 - Requirements for Category A and Category B (section 1.3 to 1.5 and Appendix A)
 - Specifications for Category A (Attachments 1-18)

Bid Evaluation Process

- Evaluation Process is located in section 1.4 of the Qualification Envelope
- There are four (4) stages of the evaluation:
 - Stage 1 – Evaluation of Qualification Response
 - Stage 2 – Evaluation of Mandatory Requirements
 - Stage 3 – For Category A ONLY: Technical Response Evaluation of Samples
 - Stage 4 – Commercial Response Evaluation
- **Category A** will be evaluated in all four (4) stages
- **Category B** will be evaluated in three (3) stages (Stage 1, 2 and Stage 4 only).
- References are located in section 1.5 of the Qualification Envelope
- Form of Offer is located in section 1.6 of the Qualification Envelope

Bid Evaluation Process

Bid will be evaluated in the following four (4) Stages:

- **Stage 1 – Evaluation of Qualification Response and Mandatory Eligibility Requirements**
 - The Bidder is to access, read and respond to the questions within the Qualification Response and upload applicable documents, and check off any boxes where applicable.

Only compliant Bidders that met all mandatory requirements will move forward and be evaluated in Stage 2.

Bid Evaluation Process

- **Stage 2 Evaluation of Mandatory Eligibility Requirements for Category A and Category B Ammunition**

This stage will consist of the Ministry evaluating the compliant bidder's mandatory eligibility requirements (refer to section 1.3 in the Qualification Envelope).

Bidders' mandatory eligibility requirements will be evaluated on a pass/fail basis.

Mandatory eligibility requirement that do not meet one (1) or more criteria will be considered a "Fail" and the Bidder's submission will be disqualified and will not be evaluated further.

Bid Evaluation Process

■ **Stage 3 (a) Technical Response Evaluation** **Category A Ammunition ONLY**

Category A Ammunition Bidders who have passed the Stage 2 requirements will be contacted by the Ministry Contact, via email, with instructions to provide their Category A ammunition samples as described in Section 1.4.4 for evaluation.

- Bidders shall have thirty (30) business days to submit the samples from the date of receipt of notification.
- Bidders shall issue an invoice to the ministry for the cost of all rounds required for stage three (3) evaluation.
- All testing of ammunition will be performed at the OPP and evaluated by the OPP evaluation team.
- Bidders' submission samples will be evaluated and scored in accordance with the criteria outlined in 1.4 Evaluation Process.

Samples that do not meet one (1) or more the evaluation criteria will be considered a “Fail” and the Bidder’s submission will be disqualified and will not be evaluated further.

In the event the OPP deems that there are no compliant samples, the OPP may request a second sample (or set of samples) from all Bidders, and each bidder shall supply the second sample (or set of samples) as requested.

Bid Evaluation Process

■ Stage 3(b) Technical Response Evaluation

This stage will consist of the Ministry evaluating the samples submitted in Stage 3(a) by the Bidder(s) for Category A (only). The method of evaluating samples is set out in Section 2 – Technical Response Evaluation.

Bidders must submit rounds with two (2) different Lot numbers for each line item for which they are submitting a bid.

of Rounds, by caliber type:

Up to 1400 rounds of Ammunition is required for each of the following line items:

Line Item # 1, Ammo Type: .223 PD

Line Item # 4, Ammo Type: .308 PD

Line Item # 19, Ammo Type: 9mm PD

Up to 900 rounds of Ammunition is required for each of the following line items:

Line Item # 2, Ammo Type: .223 RL

Line Item # 3, Ammo Type: .223 F

Line Item # 20, Ammo Type: 9mm RL

Line Item # 12, Ammo Type: .338LM

Line Item # 13-18, Ammo Type: .12g (all)

Bid Evaluation Process

■ Stage 3(c) Technical Response Evaluation

In the event the Ministry deems that no Bidder has provided compliant samples for any single line item, the Ministry may request a second set of sample(s) from all Bidders for that line item, and each Bidder shall supply the second sample(s) for that line item as requested.

If a second sample(s) is requested for a line item, samples should be from a different Lot # from the initial submission and the Bidder shall provide the same number of sample quantities for each line item requested in order to proceed.

- The second samples, if requested, must be received at the delivery location within thirty (30) Business Days of the request set out in the email requesting second samples.

Only compliant Bidders that met all mandatory requirements will move forward and be evaluated in Stage 4.

Bid Evaluation Process

■ Stage 4 – Commercial Response Evaluation

Category A:

Once the Commercial Response is evaluated, the Bidder with the highest scoring compliant Bid, subject to security screening (if required), satisfactory reference checks (if conducted) and the express and implied rights of the Ministry, will be selected to enter into an agreement in accordance with the Form of Agreement attached to this RFB (as Part #2). In accordance with the process described at s. 1.6.31, the Bidder must provide its Tax Compliance Verification number to the Ministry so that the Ministry can confirm with the Ministry of Finance that Bidder's Ontario tax obligations, if any, are in good standing at the time of signing the Agreement.

Category B:

In this stage the Commercial Response, contained in Section 3 of the RFB, will be evaluated using the Total Price submitted in the Commercial Envelope, to determine the lowest priced compliant Bid for each line item in Category B.

A Bid that includes conditional, optional, contingent or variable rates that are not expressly requested in the Commercial Envelope may be disqualified.

Selection of Preferred Bidder(s)

Once the Commercial Response is evaluated (Stage 4), subject to a security screening check, (if required), satisfactory reference checks, (if conducted) and tax compliance verification from the Ministry of Finance and the express and implied rights of the Ministry, the lowest priced compliant Bidder for each Category will be selected to enter into the Agreement attached to this RFB.

Process to Sign the Agreement

The Preferred Bidder(s) will be required to sign the Agreement and provide the following documentation, as outlined in the Agreement:

- proof of insurance as outlined in the Agreement (Part 2);
- proof of W.S.I.A. coverage as outlined in the Agreement (Part 2);
- proof of security clearance as outlined in the Agreement (Part 2);
- proof of tax compliance as outlined in the Form of Offer; and
- other documents as required in the selection letter.

Bidder Questions

- All questions must be submitted in writing via email to the Ministry Contact (Pamela Clarke) prior to the Bidder's Deadline for Questions date and time as identified in the Opportunity Listing of the RFB.
- All questions received prior to the Bidder's Deadline for Questions will be answered via addendum posted on the JAGGAER electronic tendering system.

Addenda

- If for any reason the Ministry determines that it is necessary to provide additional information relating to this RFB during the posting period, such information will be communicated to all Bidders by addenda posted on the JAGGAER electronic tendering system.
- Each addendum shall form an integral part of this RFB.

JAGGAER eTendering System: Technical Requirements

- To access the eTendering portal the Bidder will need the following minimum technical requirements:
- If using a PC, the Bidder will need to use Internet Explorer 8-10 (the use of Internet Explorer 7 is not recommended). The latest version of Internet Explorer can be downloaded at no cost at www.microsoft.com
- If using a Mac, the Bidder will need to use Firefox. The latest version of Firefox can be downloaded for at no cost at www.mozilla.com/firefox
- Java is not essential to use eTendering, but it is required for some advanced functions such as mass uploading and downloading attachments. The latest version of Java can be downloaded for at no cost at www.java.com

Electronic Tendering Service

- If you are having difficulties or require assistance downloading documents please contact Customer Support at:
 - eTenderhelp_CA@jaggaer.com; or
 - 866 722 7390 or Direct (484) 335-4586
- For instant access to online help documents, Bidders can log into JAGGAER and check the 'Help for Suppliers' section. This tool will provide definitions and activities related to the specific page that the Bidder is currently navigating
- Additional information is available at the following link:
 - <http://www.doingbusiness.mgs.gov.on.ca/mbs/psb/psb.nsf/EN/etendering-pre-launch-message>
- It is strongly recommended that pop-ups be enabled in the Bidder's web-browser. This will allow a warning message to appear if the Bidder's session has been inactive for over 15 minutes and is about to be logged out. The time out function is an important security requirement for the eTendering portal.

Modifying a Submitted Response

- Submitted responses may be modified at any time before the RFB closing date and time.
- Each act of saving a modification to the response will create a new version of the response, and the Buyer will only be able to view and evaluate the most recent response submitted to the RFB.

JAGGAER Costs for Bidding

- There are no costs to register, download or submit a bid online for procurement documents of interest.
- Vendors are required to registration and express interest in the procurement in order to download the procurement documents.
- These documents can be accessed from RFX_18106 under the Details tab in the Attachment folder.
